General notice: We do our utmost to describe the allergens of all our dishes (and the products we use for them). However, we are also dependent on other parties for accuracy and completeness. It is important to know that all dishes are prepared in one kitchen, so there is always a chance of traces of different allergens, even if they are not mentioned in the list. This also applies to our suppliers.

	Gluten	Lactose	Nuts	Peanut	Fish	Egg	Crustacean	Shellfish	Mustard	Celery	Sesame seed	Soy	Lupine	Sulfite	Garlic	Onion	Other or Side dishes	Can be used without or can be replaced by:
