*Algemene mededeling: Wij doen ons uiterste best om van al onze gerechten (en de producten die we daarvoor gebruiken), de allergenen te beschrijven. Voor de juistheid en volledigheid zijn wij echter ook afhankelijk van andere partijen. Daarbij is het belangrijk om te weten dat alle gerechten in één keuken worden bereid, er is dus altijd een kans op sporen van verschillende allergenen, ook als deze niet vermeld staan in de lIJst. Dit geldt ook voor onze leveranciers.*
