

Algemene mededeling: Wij doen ons uiterste best om van al onze gerechten (en de producten die we daarvoor gebruiken), de allergenen te beschrijven. Voor de juistheid en volledigheid zijn wij echter ook afhankelijk van andere partijen. Daarbij is het belangrijk om te weten dat alle gerechten in één keuken worden bereid, er is dus altijd een kans op sporen van verschillende allergenen, ook als deze niet vermeld staan in de lijst. Dit geldt ook voor onze leveranciers.

General notice: We do our utmost to describe the allergens of all our dishes (and the products we use for them). However, we are also dependent on other parties for accuracy and completeness. It is important to know that all dishes are prepared in one kitchen, so there is always a chance of traces of different allergens, even if they are not mentioned in the list. This also applies to our suppliers.
